Opportunity

Looking to easily and conveniently step into another knowledge region, establish contacts quickly and be part of a useful network in Eindhoven, Leuven, Aachen and Limburg? The ELAt subdesks offer the best conditions to get your business going in the knowledge regions of Eindhoven, Leuven, Aachen or Limburg!

Subdesk

A subdesk offers an accessible way to open an office abroad – they are the perfect launch pad for expanding a business to international success. Using a subdesk in the ELAt region puts you in touch with leading universities, research institutes and innovative companies.

Offer for you

The subdesks are available exclusively for companies that are already accommodated in a high-tech and knowledge-oriented business centre and want to expand their catchment area. Or maybe you have a short-term project outside of your region?

Entrance Ticket

The Entrance Ticket offers the possibility of exploring not only your current location but also the business and knowledge institutes in another knowledge region.

International

Interested in doing business abroad? ELAt is a cross-border network that connects the knowledge regions Eindhoven, Leuven, Aachen and Limburg into a European top technology region.
